1. **Cashback Match:** We'll match all the cash back you've earned on your credit card from the day your new account is approved through your first 12 consecutive billing periods or 365 days, whichever is longer, and add it to your rewards account within two billing periods. You earn cash back only when they're processed, which may be after the transaction date. We will not match: rewards that are processed after your match period ends; statement credits; or rewards transfers from Discover checking or other deposit accounts. Your account must be open and in good standing to receive your Cashback Match. This offer may not be available in the future and is exclusively for new cardmembers. No purchase minimums.
2. **Acceptance**: According to the Feb 2026 issue of the Nilson Report.
3. **Rewards Redemption:** We reserve the right to determine the method to disburse your rewards balance. You may be unable to redeem rewards in some limited situations such as when you choose to use an electronic funds transfer to redeem rewards to a new (unverified) deposit account. Rewards redeemed for gift cards require a minimum amount to redeem.
4. **Discover® Identity Alerts (Alerts) currently provide:** (a) daily monitoring of your Experian® credit report and an alert when a new inquiry or account is listed on your report; (b) daily monitoring of the dark web known for revealing personal information and an alert if your Social Security number is found. Alerts are offered by Discover, a division of Capital One, N.A., (Discover) at no cost, are available only online, and do not impact your credit score. Alerts are only provided to Primary cardmembers who agree to receive them online and whose accounts are open, in good standing, have a Social Security number, and an email address on file. This benefit may change or end in the future. Discover is not a credit repair organization as defined under federal or state law, including the Credit Repair Organizations Act.
